TOWN OF AMSTERDAM TOWN BOARD

RESOLUTION TO AUTHORIZE THE SUPERVISOR TO ISSUE A REQUEST FOR QUALIFICATIONS TO QUALIFIED CONSULTANTS TO PROVIDE CONSTRUCTION-PHASE SERVICES IN CONNECTION WITH THE VEEDERS MILL SIGNAL CONSTRUCTION PROJECT ALONG NYS ROUTE 30

Whereas, as recited in a resolution of the Town Board of the Town of Amsterdam put forward for consideration by said Board on November 18, 2026, the Town has taken over from a developer the completion of NYSDOT-required improvements to the traffic signal on Route 30 at its intersection with Veeders Mill that were only partially constructed, and the Town, with the assistance of Assemblyman Angelo Santabarbara, has been awarded funding totaling $490,000, including in $175,000 NYSDOT Multi-Modal and $315,000.00 in DASNY State and Municipal Facilities Program (SAM) funding, in order to take the intersection upgrades project to completion; and

Whereas, the Town has executed grant agreements with NYSDOT and DASNY; and

Whereas, the project, which lies within the NYSDOT right-of-way will require oversight and inspection by qualified professional consultants, pursuant to NYSDOT requirements, and the procurement of these services is subject to the requirements of the NYSDOT Multi-Modal grant program requirements for consultant procurement and administration set forth in the NYSDOT Local Projects Manual (LPM), which must be qualifications based; and

Whereas, in accordance with the LPM, a Consultant Selection Committee must be established by the Town in order to oversee the evaluation of proposals, selection, and negotiation processes, and the Town may procure Consultant Services from the New York State County Highway Superintendent Association's (NYSCHSA) Local Design Service Agreement (LDSA), including via a request for qualifications (RFQ) to the NYSDOT Region 2 LDSA; and

Whereas, the Town's designated engineer, Delaware Engineering, DPC, throughout development of this project has provided grants administration and has served as Project Manager;

now, therefore, be it

RESOLVED, that the Town Board of the Town of Amsterdam authorizes the Supervisor to issue an RFQ to the NYSDOT Region 2 LDSA list, and from other qualified entities as may be required by the funding agencies participating in the Project, in order to procure Consultant Services supporting completion of construction of necessary upgrades to the Veeders Mill and Route 30 traffic signal; and

be it further

RESOLVED, that the Town Board of the Town of Amsterdam hereby authorizes creation of a Consultant Selection Committee, pursuant to the NYSDOT LPM, which Committee shall consist of the Town Supervisor, Deputy Supervisor, and Project Manager from Delaware Engineering and provide a recommendation for Consultant Selection to the Town Board, in accordance with NYSDOT's requirements.
