

Northampton Road
Modifications
05.2022

Step's to be taken before we temporally close the Northampton road north to Rt 30.

- Need to be on the monthly agenda.
- Need a resolution from the board before closing.
- Need to publicize on Town Web site for 15 days.
- Closing 70 feet of north bound lane

Northampton Road Modifications

The purpose for this change will improve the safety for motor vehicles trying to enter the Rt 30 north bound lane. While reducing the potential of slipping trying to get out to the Rt 30 North lane during the winter.

Northampton Road Modifications

We received the total number of accidents on that corner from 2019 to present. There has been 31 calls for service, with 22 accidents and 9 personal injury accidents.
