RE: ZONING AMENDMENTS REALTING
TO UTILITY-SCALE SOLAR ENERGY SYSTEMS

The Planning Board received a referral from the Town Board, resolution No. 119, to review zoning amendments relating to utility-scale solar energy systems.

The Planning Board's monthly meeting was scheduled for January 2, 2025. Due to a snow storm, the monthly meeting was cancelled and rescheduled for January 8, 2025. The Board reviewed and discussed the referral.

After the review and discussion, the Board agreed on the proposed zoning amendments relating to utility-scale solar energy systems.

A motion was made to make a positive recommendation to the Town Board to accept the zoning amendments relating to utility-scale solar energy systems.

Motion by: Alex Kuchis

Second by: Kelly Joyce

Respectfully submitted,

Alex Kuchis
Planning Board Chairman
