

TOWN OF AMSTERDAM
PROPOSED LOCAL LAW NO. 3 OF 2025

AMENDMENT TO AMSTERDAM TOWN CODE
TO ADD SECTION ON
GOVERNING SHOPPING CARTS OWNED OR CONTROLLED BY
RETAIL ESTABLISHMENTS OR OTHER BUSINESSES

Section 1. The Town Board of the Town of Amsterdam finds that abandoned shopping carts in the Town create hazards to the health and safety of the public, interfere with pedestrian and vehicular traffic, and create a public nuisance. To help alleviate these conditions, the Town Board hereby enacts Local Law No. 3 of 2025 to ensure that the owners of shopping carts that are used retail establishments or other businesses take measures to prevent the removal of the shopping carts from the shopping cart owner's premises, and to facilitate the retrieval of abandoned shopping carts in a manner consistent with state law.

Local Law No. 3 of 2025 known as Governing Shopping Carts

Findings and Intent.

The Town Board of the Town of Amsterdam finds that abandoned shopping carts in the Town create hazards to the health and safety of the public, interfere with pedestrian and vehicular traffic, and create a public nuisance. The accumulation of abandoned shopping carts, sometimes wrecked and/or dismantled, on public and private property, also tends to create conditions that reduce property values and promote blight and deterioration. The Town Board therefore determines that it is appropriate that the Town of Amsterdam develop and implement procedures so that shopping carts remain on the premises of the shopping cart owner. This Local Law is intended to ensure that the owners of shopping carts that are used retail establishments or other businesses take measures to prevent the removal of the shopping carts from the shopping cart owner's premises, and to facilitate the retrieval of abandoned shopping carts in a manner consistent with state law.
