Dear Residents of Fort Johnson,

I am writing to inform you of an important decision made by the town board concerning the restructuring and consolidation of our fire departments. After careful consideration and extensive discussions, the board has decided not to renew the contract with the Fort Johnson Fire Department.

We want to express our sincere gratitude to the members of the Fort Johnson Fire Department for their unwavering commitment, dedication, and service to our community over the years. Your tireless efforts have made a significant impact, and we are thankful for the countless hours of volunteerism and bravery in protecting our residents.

Please rest assured that the safety and protection of Fort Johnson residents remain our top priority. The town board is committed to ensuring that all residents will continue to receive comprehensive fire protection and emergency services through alternative arrangements.

If you have any questions or concerns regarding this decision or its implications, please do not hesitate to reach out to the town supervisor's office. We are here to provide assistance and clarification as needed.

Thank you for your understanding and support during this time of transition.

Sincerely,

Thomas DiMezza
