

# Town of Amsterdam Ditching Material Sign off Sheet

The purpose for this sign off sheet will be to protect the Town of Amsterdam from any liability for the quality of the ditching material.

The ditching material may have one or more of the following:

- Stones
- Plastic
- Metal
- Foreign material

Once requested by the resident they will be required to sign off on this form before any material is delivered. Once delivered, if the resident is not happy with the quality of the material we **WILL NOT** remove the material delivered.

The resident will be responsible for marking the location on their property for the delivery, free of any underground piping.

The town will not be responsible for any damaged pipes or lawns.
